

House rules

We kindly ask you to treat our home with respect and to follow our house rules. Yes, we know rules are boring so we will try to keep them to a minimum.

1. No smoking inside the house! If you can't fight the urge to light up a cigarette, please do so on the terrace or balconies (you will find an ashtray under the table on the terrace).
2. Please respect the peace and quiet of other residents who are less lucky and have to work tomorrow so no music or loud noises between 00:00 and 08:00
3. Please be careful with the house keys. If you lose them, we have to replace the code of the lock and all corresponding codified keys. To cover the costs of this we will have to ask you a contribution of € 150.
4. At this moment unfortunately we cannot accommodate pets in our holiday home.
5. If you accidentally break something, please inform us immediately so that we can discuss the damage and find a solution together.

Use of the pool

As our guest you can make use of the shared pool of the apartment complex. We kindly ask you to take note of the rules below as use of the pool is subject to them. By using the pool you agree to the following terms:

1. Use of the pool is at your own risk and nor we as the owners of the apartment, nor the apartment complex as owner of the pool, can be held liable for any injury caused by using the pool.
2. We would like to advise our guests that there is no lifeguard present at the pool to supervise.
3. The pool is for the use of the residents and you only. Please don't invite over friends who stay in some other accommodation to make use of the pool.
4. Children under the age of 12 must always be accompanied by and remain under the supervision of an adult when using the pool.
5. People who do not know how to swim are not allowed in the pool unless they make use of inflatable armbands or similar devices and remain under the supervision of an adult capable of swimming.
6. People who are under the influence of alcohol, other substances leading to psycho-physical alteration or have poor health are not allowed in the pool.
7. Please do not use the pool when weather conditions make use of the pool dangerous (during rain, thunderstorms, etcetera) or when the pool cleaning robot is in the pool.
8. No running around the pool area, it can be slippery!
